## CONFERENCE PROGRAM

### Friday, February 28th, 2020

8.00-8.30: Registration of participants

8.30-8.45: Official opening and greetings from:

- the Director-General of A.O. S. Croce e Carle di Cuneo (S. Bedogni)

- the President of Fondazione C.R.C. (G. Genta)

- the Chief of S.C. Gastroenterologia ed Endoscopia Digestiva A.O.

S. Croce e Carle di Cuneo (A. Manca)

#### LATEST UPDATES IN DIAGNOSTIC AND INTERVENTIONAL ENDOSCOPY

##### First session – Diagnostic and Interventional EUS of the Pancreas

President: S. Peyre

Moderators: M. Bruno, L. Crocellà

8.45-9.05 Recent advancements in EUS-guided fine needle sampling of pancreatic lesions (H. Bertani)

9.05-9.25 EUS-guided ablation of neoplastic lesions of the pancreas (P. G. Arcidiacono)

9.25-9.45 EUS-guided placement of fiducial markers in pancreatic cancer (S. F. Crinò)

9.45-10.00 Discussion Time

##### Second session – Current applications of lumen-apposing metal stents (LAMS)

President: R. Rocca

Moderators: S. Caronna, G. Venezia

10.00-10.20 Peripancreatic collections (C. Fabbri)

10.20-10.40 Gallbladder and Biliary drainage (A. Anderloni)

10.40-11.00 Gastro-Entero Anastomosis (I. Tarantino)

11.00-11.15 The Italian scene: from patient care to clinical research (panel discussion)

11.15-11.30 Discussion Time

11.30-11.45 Coffee Break

##### Third session – Intraluminal EUS and ERCP

President: C. Gemme

Moderators: L. Ghezzi, D. Mazzucco

11.45-12.05 Looking through the spyglass: the role of cholangioscopy in evaluating indeterminate biliary strictures (V. Cennamo)

12.05-12.25 The role of intraductal ultrasonography (IDUS) and confocal endomicroscopy for the diagnosis of indeterminate biliary strictures (C. De Angelis)

12.25-12.45 Advanced endoscopic treatment of biliary complications after surgery (M. Mutignani)

12.45-13.05 New intraductal therapeutic strategies (L. Barresi)

13.05-13.20 Discussion Time

13.20-14.20 Lunch Break

##### Fourth session – Advanced Endoscopic Techniques

President: F. Coppola

Moderators: A. Arrigoni, R. Fasoli

14.20-14.40 How to choose between performing EMR or ESD in colorectal premalignant lesions and early cancer (F. Barbaro)

14.40-15.00 Full-thickness resection: current status and future directions (M. Bisello)

15.00-15.20 Recent advances in third-space endoscopy (F. Azzolini)

15.20-15.40 Point-of-care coagulation management before, during and after endoscopy (F. Radaelli)

15.40-16.00 Infectious complications in gastrointestinal endoscopy: what they are and how to prevent them (P. Occhipinti)

16.00-16.10 Reprocessing and handling of endoscopic instrumentation (R. Tamiello)

16.10-16.25 Discussion Time

#### LATEST UPDATES IN GASTROENTEROLOGY

##### Fifth session – Inflammatory Bowel Diseases

President: G. Fraternali Orcioni

Moderators: L. Fenoglio, A. Manca

16.25-16.45 The utility of endoscopy in IBD: daily practice and clinical trials (M. Daperno)

16.45-17.05 Has something changed in the histopathological diagnosis of inflammatory bowel diseases? (V. Villanacci)

17.05-17.25 Future combinations in Inflammatory Bowel Diseases (F. Caprioli)

17.25-17.45 How to best manage IBD during pregnancy (M. Astegiano)

17.45-18.05 IBD and the elderly (D. Simondi)

18.05-18.20 Discussion Time

18.20-18.35 Closing Remarks

### Saturday, February 29th, 2020

8.00-8.30 Registration of participants

#### LATEST UPDATES IN GASTROENTEROLOGY

##### First session – Pathology of the Upper Gastrointestinal Tract

President: M. Grassini

Moderators: Sabina Martini, M. Pennazio

8.30-8.50 Non-Achalasia esophageal motility disorders (E. Battaglia)

8.50-9.10 Esophageal resection versus ablation in Barrett's esophagus (M. A. La Terra)

9.10-9.30 GERD: prescribing appropriateness of Proton Pump Inhibitors (E. V. Savarino)

9.30-9.45 Discussion Time

##### Second session – Gut bacteria in health and disease

President: A. Manca

Moderators: R. Lolli, R. Vanni

9.45-10.05 Diagnosis and management of C. Difficile infection: a new practical approach (R. Pulitano)

10.05-10.25 Microbiome and gut dysbiosis: local, regional and systemic effects (D. Ribaldone)

10.25-10.45 The future of Fecal Transplantation and Bacteriotherapy (F. Scaldaferrì)

10.45-11.00 Discussion Time

11.00-11.15 Coffee break

#### LATEST UPDATES IN HEPATOLOGY

##### Third session – Liver and Biliary System

Presidents: M. Salizzoni, G. M. Saracco

Moderators: F. Borghi, V. Del Bono, A. Manca, M. Tabone

11.15-11.35 NASH: current standards and promising treatments (E. Bugianesi)

11.35-11.55 Latest advances in management of Primary Biliary Cholangitis (F. Rosina)

11.55-12.15 Acute liver failure: updates in diagnosis and therapeutic strategies (Silvia Martini)

12.15-12.35 The future of Liver Transplantation: beyond HCV eradication (R. Romagnoli)

12.35-12.55 Hepatitis C treatment: current and future perspectives (A. Picciotto)

12.55-13.15 Round Table on global HCV eradication: how to shed light on the hidden epidemic. The opinion of the gastroenterologist, the infectiologist, the general practitioner, the SerD and EpaC association representatives (A. Mattalia, D. Vitullo, M. Pellegrino, A. Arnaudo, S. Ventura)

13.15-13.30 Discussion Time

13.30-13.45 Closing Remarks

## RESPONSABILE SCIENTIFICO

Dr. Aldo Manca

Direttore della S.C. di Gastroenterologia ed Endoscopia Digestiva dell'A.O. Santa Croce e Carle di Cuneo

## PRESIDENTE ONORARIO

 Dr. Sergio Peyre - Torino

## SEGRETERIA SCIENTIFICA

 Dr. Alberto Mattalia - Cuneo  
Dr. Daniele Simondi - Cuneo  
Dr.ssa Giovanna Venezia - Cuneo

## RELATORI E MODERATORI

Dr. Andrea Anderloni – Milano

Prof. Paolo Giorgio Arcidiacono – Milano

Dr. Alberto Arnaudo – Cuneo

Dr. Arrigo Arrigoni – Torino

Dr. Marco Astegiano – Torino

Prof. Francesco Azzolini – Milano

Dr. Federico Barbaro – Roma

Dr. Luca Barresi – Palermo

Dr.ssa Edda Battaglia – Asti

Dr.ssa Helga Bertani – Modena

Dr. Marco Bisello – Padova

Dr. Felice Borghi – Cuneo

Dr. Mauro Bruno – Torino

Prof.ssa Elisabetta Bugianesi – Torino

Prof. Flavio Caprioli – Milano

Dr.ssa Stefania Caronna – Torino

Dr. Vincenzo Cennamo – Bologna

Dr. Franco Coppola – Torino

Prof. Stefano Francesco Crinò – Verona

Dr.ssa Lucia Crocellà – Torino

Dr. Marco Daperno – Torino

Dr. Claudio De Angelis – Torino

Dr. Valerio Del Bono – Cuneo

Dr. Carlo Fabbri – Forlì

Dr. Renato Fasoli – Cuneo

Dr. Luigi Fenoglio – Cuneo

Dr. Giulio Fraternali Orcioni – Cuneo

Dr. Carlo Gemme – Alessandria

Dr. Luigi Ghezzi – Cuneo

Dr. Mario Grassini – Asti

Dr.ssa Maria Antonella La Terra – Torino

Dr. Roberto Lolli – Aosta

Dr. Aldo Manca – Cuneo

Dr.ssa Sabina Martini – Alba

Dr.ssa Silvia Martini – Torino

Dr. Alberto Mattalia – Cuneo

Dr. Dario Mazzucco – Rivoli

Prof. Massimiliano Mutignani – Milano

Dr. Pietro Occhipinti – Novara

Dr. Sergio Peyre – Torino

Dr. Mauro Pellegrino – Cuneo

Dr. Marco Pennazio – Torino

Prof. Antonino Picciotto – Genova

Dr.ssa Raffaella Pulitano – Cuneo

Dr. Franco Radaelli – Como

Dr. Davide Ribaldone – Torino

Dr. Rodolfo Rocca – Torino

Prof. Renato Romagnoli – Torino

Dr. Floriano Rosina – Torino

Prof. Mauro Salizzoni – Torino

Prof. Giorgio Maria Saracco – Torino

Prof. Edoardo Vincenzo Savarino – Padova

Dr. Franco Scaldaferrì – Roma

Dr. Daniele Simondi – Cuneo

Dr. Marco Tabone – Torino

Dott.ssa Raffaella Tamiello – Novara

Dr.ssa Ilaria Tarantino – Palermo

Dr. Riccardo Vanni – Bra

Dr.ssa Giovanna Venezia – Cuneo

Saverio Ventura – Torino

Prof. Vincenzo Villanacci – Brescia

Dr. Davide Vitullo – Cuneo
